

Orbi'Base: LFMV Avignon

Where are we located ?

Our office is located in the northern part of the terminal, with a dedicated entrance and free parking on the public side.

If you arrive by airplane, the ATC will direct you to the F apron. From there you will walk to the terminal and enter via the Security Gate.

Or you can arrive by :

High speed train (TGV) : stop at **AVIGNON TGV**
Commercial airport : **Marseille Provence**

Aeronautical information :

Fuel available :	AvGas available during TWR opening hours (assisted or self-service with TOTAL card) Jet A1 only by truck (payment TOTAL card/cash/credit card)
Workshop :	Aero Technique Assistance +33 4 90 02 05 82
Operations / FBO :	Tel +33 4 90 81 51 31 / handling@avignon.aeroport.fr
Customs :	On request (O/R) with 24H PPR, contact the operations/FBO (see line above)
Apron :	Expect F Apron located north of the terminal (except jets : C in front of the terminal)
Fees :	Paid to the FBO located in the terminal
Met services :	No met office on the airport, but you have TAF, METAR et METAR AUTO (H24)
Remarks :	Often strong tailwind on RWY 17 approach (Mistral), possible steep final approach

Special notes :

Avignon has customs on request, with a 24H PPR to the local FBO.

The runway is equipped with a high intensity runway lighting. ATC closes between 6PM and 8PM UTC, depending on the period of the year (check the airport plate). If you want pilot command lighting (PCL) after the ATC closure, make a request to the operations/FBO before 5PM UTC.

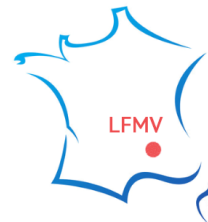

The weather is often windy, with a northern wind blowing down RWY 35. If your aircraft is to be parked outside, bring control lockers and tie-down ropes. Hangars can be available on request with the FBO.

For an IFR arrival, you will find several RNP approaches, all on RWY 17, with a circle to land RWY 35 if required.
